

Amendment #1 to Statement of Work #98
Refinitiv Limited

AMENDMENT #1 TO STATEMENT OF WORK #98

This Amendment #1 to Statement of Work #98: AI Research Portal, Research Update and Streamer for CIBC ("SOW") is entered into by and between Refinitiv Limited ("Refinitiv", "Client", "Thomson Reuters") and Markit On Demand, Inc. (formerly known as Wall Street On Demand, Inc.) ("Markit", "MOD", "Fincentric"). Refinitiv and Fincentric are parties to the SOW, effective October 1, 2015. Except as provided herein, all other terms of the SOW shall remain unchanged.

This amendment is for the removal of fees to reflect the discontinuation support for the Streamer Deliverable. Accordingly, the parties agree that the following language shall be amended effective November 1, 2023 per the 4 items below.

1.

In Section 6, the Section 6's new title shall no longer refer to the third deliverable of the Streamer and shall read as follows:

6. Description of Deliverables: MOD will develop, design, build, test and implement the Deliverables I and II:

2.

In Section 6, Section 6.c. shall be deleted in whole. For clarity, Section 6.c. contains the description of the Streamer.

3.

In Section 6, Section 6.III. shall be deleted in whole. For clarity, Section 6.III. defines the functionality of the Streamer.

4.

In Section 9, the verbiage of the first bullet in Section 9 (b) for Monthly Fees shall be removed and replaced with the following:

- Subject to this Section 9 (b) and Section (c) below, Thomson Reuters agrees to pay MOD US \$27,720 per month (the "Monthly Fees") beginning the first of the month following Client's acceptance of all 3 Deliverables (Thomson Reuters will notify MOD of such acceptance).
